What is Additional a Quality Premium Charge?

Each Peach Childcare's philosophy ensures that our setting will provide the highest standards of physical and emotional care for children in a happy and secure atmosphere. Our highly trained team of Nursery Teachers, some of which are qualified to Teacher Status level, are committed to the long-term outcomes for children ensuring that they receive the highest quality curriculum and teaching right up until they leave for school. The standalone hourly rate of funding provided by the government for 2, 3 and 4 year olds sadly falls significantly short of wider business cost of sustaining the high quality childcare we provide. The hourly rate of funding provided covers the childcare cost only. Our Additional Quality Premium Charge for parents, as well as the above, includes the following (this is not an exhaustive list): fresh, home cooked meals and snacks prepared on site by our Nursery Chef, all consumables including nappies, creams, wipes, milk, formula, sun cream, extra-curricular activities, external visitors, forest school, trips and any unfunded hours. Any unfunded hours are built into the Additional Quality Premium Charge costs.

Stand-alone Offer

We have a very limited number of stand alone funded-only sessions. EYFE hours are available between 8.30 -11.30 and 1.00- 4.00, a maximum of 3 hours per session each day (subject availability) and are inclusive of snacks but not meals. EYFE is for 39 weeks per year which corresponds with the school term times, therefore full fees are applicable in non-term time e.g. school holidays. Should a customer be accessing the extended offer EPC will discuss with the parent/carer longer morning or afternoon sessions so the full funded hours can be used.

Funded Hours Entitlement

Universal 15 hours entitlement is available for all children from the term after their 3rd birthday, for three and four year's olds and for eligible 2-year-old children with a code from the local authority. Children are entitled to 11 hours per week, 51 weeks per year, equivalent to 15 hours per week term time only. Your invoice will show the charge for funded, unfunded hours and additional services and the charges.

Extended 30 hours entitlement is available for all children from the term after their 3rd birthday, for three and four year's olds whose parents/ carers are in receipt of an eligibility code. Parents are responsible for checking their eligibility. If a parent has a child who will be three before the next term but forgets to apply, they will have to wait until the start of the following term to claim their extended entitlement. Children are entitled to 22 hours per week, 51 weeks per year, equivalent to 30 hours per week term time only. Your invoice will show the charge for funded, unfunded hours and additional services and the charges.
